Secretary of the Vestry

Honoree, Father William D. Turner, congratulated by the Rector's Warden, Mr. Arthur J. Slater.

Mistress of Ceremonies Miss Turner, Judge Stout, Bishop DeWitt, Bishop Tsu, Reverend Clergy, honored guests, members of St. Augustine's Church, relatives and friends:

As I sat listening intently to the many wonderful things which were said about William D. Turner, I was reminded about a little joke. The preacher was delivering the eulogy of the deceased brother and was saying so many fine things about his life and how he had been such an excellent husband and father to his wife and family. After the eulogy was delivered, the mother and wife of the deceased said to the oldest child, "Step over to the coffin and see if that is your father in it."

Therefore, I must pause and address myself "Am I he which they have spoken?"

Today has truly been a Day of Rededication in the life of your humble servant and of St. Augustine's Church.

Let me for a moment speak in terms of Reflection. It was on December 5, 1943 that I became Rector of St. Augustine's Church. The statistics will be found in the profile, therefore, I shall not go into the discussion of them.

It was in the war years of the Second World War that I assumed the Rectorship. There was uncertainty and doubt, not only of then the present, but also of the future of the Parish, as was the case of any institution at that time, be it sectarian or secular. But God was good to us and saw us through the stress and strain and results of the war. Our congregation increased with leaps and bounds. This was due not only to my leadership, but to those of the Vestry and congregation who had dedicated themselves to work for Christ, His Church, and the community. Many of the original members who started with me are now deceased. I shall ever remember them. I should like to pause for a moment and say a brief prayer for them. "Rest eternal grant unto them, O Lord, and let perpetual light shine upon them." Will you kindly say, "Amen."

A quarter of a Century as Rector of one Parish is a long time in any Priest's life. I had served as Vicar and Rector of three Churches before coming to Philadelphia, which gave me five years experience in my service to God. I always felt that my first duties were those which I assumed at the ordination of my Priesthood. If you were to analyze them, you will find that they had to do with the services of the Ordinand as Priest and Pastor of his flock, his people and to the community surrounding the Parish. This I have tried to do for twenty-five years at St. Augustine's. It goes without saying that there were many successes and by the same token many failures.

I really don't know what the definition of success is in the Ministry in terms of a secular world but when a Priest or Pastor finds that he has lost communication, rapport and love between him and his people because of the loss of Priestly or Pastoral function, that to me is failure. Thank God this has not happened at St. Augustine's Church, at least I don't feel that it has. There may be some isolated cases as in all Community work. No one is perfect, yes, even Priest and Pastors. Therefore, there have been misunderstandings and a little confusion at times. This happens in the best regulated family. I have been at fault sometimes, because of my human frailty, and so have you, but we survived all of that and so we are celebrating! Let only that which was good and spiritual be the essence and spirit of this great celebration.

Now, briefly, for Rededication. Some one said recently, "We have to celebrate your 50th anniversary next." I looked at the person in astonishment and said, "You know that's impossible. How old do you think I am, and how old do you think you are?"

The Church has provided for her Clergy the retirement age of 65 with full pension, which is a good and wholesome thing; and also which is encouraging to the laity!

No matter how many years God will allow me to be with you, I shall always strive to work hard for the maintenance of fine Priestly and Pastoral relationship with you and always strive to work in the community, for the spiritual and social welfare for all of the people.

I pray and trust that my pledge to all of you is mutual. That each of you in your own way may strive to work for God and the spread of his Kingdom here on earth for all people.

Many, many thanks to all of you, and especially to the Committee and all of the members of the various committees who made this great celebration possible.

Many of you have been with me from the beginning of my Ministry at St. Augustine's and many have become a part and parcel of St. Augustine's through the years. To you I owe my allegiance and deep gratitude.

In rendering thanks to people one must remember those who are closely related to him in his daily life. I speak now of my own family. My good wife, Dorothy, who has stuck through thick and thin and has been very patient with me. She had to hear my sob stories and burdens throughout the years. She has more than tolerated and encouraged me. To her goes heartfelt gratitude.

Finally, to my children who are here and now grown with their families, I say thank you for having gone through your years of early training with me and now that you are men and women I stand with deep appreciation to you for having attained to your positions in life.

Once again — thanks everyone!

The Very Rev. Thomas S. Logan congratulates the honoree, Father William D. Turner.

BRIEF TWENTY-FIVE YEARS HISTORY OF FATHER WILLIAM D. TURNER'S RECTORSHIP AT ST. AUGUSTINE'S CHURCH OF THE COVENANT

Father Turner began his services as Vicar on December 5, 1943. At that time the membership of St. Augustine's Church was approximately 450, with a financial budget of \$9,000.

In 1943 St. Augustine's Church was in the process of formulating plans to become a Parish. In 1944 it was admitted into the Diocese of Pennsylvania as a Parish. At this time Father Turner became Rector.

For a number of years Father Turner served as a member in the Department of Christian Education and the Department of Christian Social Relations of the Diocese of Pennsylvania. He also served recently on the Diocesan Council and is currently serving as a member on the Committee for the Blind at the Community Services of the Diocese. He also served as President of the Catholic Clerical Union of Philadelphia and vicinity and as Treasurer of the same organization.

For several years Father Turner served as President of the local Chapter of the Episcopal Society for Cultural and Racial Unity.

At the present time he is a member of the Board of Managers of St. Christopher's Hospital for Children and is a Chairman of the Medical Committee.

During the twenty-five years as Rector of St. Augustine's Church, Father Turner has served the community of North Philadelphia through affiliation with many civic organizations serving and witnessing for the welfare and rights of the citizens involved. One outstanding service for many years has been rendered as a member of the Board of Directors for Sickle-Cell Anemia with the honor of being a charter member.

Under the leadership of Father Turner as Rector the congregation moved from 2026 Columbia Avenue to the present site at 27th Street and Girard Avenue in April, 1955. This opportunity for change was offered to Fr. Turner for consideration by the late Bishop J. Gillespie Armstrong and the vestry of The Church of the Covenant. After much consideration involving the vestry of St. Augustine's, the vestry of The Church of the Covenant, Fr. Turner and the late Bishop Armstrong, the agreement to accept the offer as presented was finalized, and procedures necessary to make the move followed immediately. The present church, known as St. Augustine's Church of The Covenant incorporates the name of the original church and location. There was need for extensive renovation, involving exterior and interior of the building. This was done including sand-blasting and cleaning, painting interior, carpeting floors of church; a complete new kitchen and office for the rector and secretary, just to mention the major improvements.

Many **memorials** have been given to the church by communicants in loving memory of departed members of St. Augustine's Church during the 25 years of Father Turner's rectorship.

To name a few: The Shrine of St. Mary, the Shrine of St. Augustine's, The Stations of the Cross, Organ Chimes and Spirit Lights are among the most outstanding. Many, many more of equal importance are acknowledged, but it's impossible to enumerate all of them.

The statistical report for the 25 years of Fr. Turner's rectorship reveals that there have been more than 1025 baptisms; 1038 persons have been presented for Holy Confirmation, and 157 couples have married.

The membership of the church from 1943 to 1968, including all baptized and confirmed members is 1891, according to our last Parochial Report. However, unfortunately, not all listed are actively participating in the life of the church.

The budget of the church has grown from \$9,000 in 1943 to over \$36,000 in 1968.
